

# Hale Kona

## Hale Moana

## Hale Nai'a

*GT comment: I'm not sure but I think 01/03 and 05/07 in the Kona tower are both considered mountain view*

Villas start from floor 2. Those below designated with an \* are 2MV and \*\* is a 2OV - on the 2nd floor only.

PH-## indicates the floor of the penthouse for that stack of villas.

Developer's rendering for illustrative purposes. Not to scale.
